

To Whom It May Concern,

I am pleased to write this letter of recommendation for **RITHIKA BHARGAV K**, who worked under my supervision as an **Intern** at **CYIENT LTD.** for **05 months**. **Rithika** is an exceptional professional, and I am confident she will make a significant contribution to any organization they join.

During her tenure, **Rithika** has demonstrated her skills in **Machine Learning, Image Processing, and Software Programming (Python & C++)** in developing advanced feature for automotive application. She has **established a machine learning process** which is optimized for performance and ensured the robustness in the output. Her deep technical knowledge, combined with a pragmatic approach to solving real-world problems, made her a standout in our department.

In addition to her technical abilities, **Rithika** excelled in **problem solving, task planning and task management**. She consistently **solved interface issues to other functionalities in the project** and worked seamlessly with **cross-functional teams**.

Moreover, **Rithika** has an admirable work ethic and approaches each task with dedication. She takes ownership of her work and ensure it meets the highest standards of quality. Her **dedication to work** is a true asset to any team.

Based on their exceptional skills, professionalism, and passion for **learning new things**, I am confident that **Rithika** will excel in both academic and professional endeavors. In both academic programs and professional teams, her dedication to excellence and depth of expertise will make her an asset to any institution or organization.

Please feel free to contact me at ranadeep.saha@cyient.com if you require further information.

Sincerely,

RANADEEP SAHA
